FARM TO FORK

CELEBRATION DINNER | AUGUST 23, 2023

Farm to Fork is the largest annual fundraiser for the Eagle Valley Land Trust and local land conservation efforts. Sold out for six years running, the iconic event is back and better than ever on August 23, 2023. We invite you to join us for a revival of the legendary night of conservation camaraderie, world class dinner by Red Maple Catering, and socializing out on the land.

Farm to Fork sponsors will enjoy an evening mingling and celebrating with the EVLT's most important donors, prominent marketing leading up to the event, unique recognition at the event, and opportunities to connect with environmentally minded community leaders.
